**SECTION 1**  
**READING COMPREHENSION**

**TASK 1**

**Read the text and answer the questions choosing the alternatives that best answer the questions. There is ONLY ONE correct answer for each question.**

Hi Kathy,

I'm sending you this message because I miss you so much. I miss everything we do together. I miss my Dublin.

Now I understand how much I love my city, my family, and my friends.

I am writing you from a hotel in Athens. I've been working these summer holidays at the reception desk of Egaleo Hotel which is positioned in the city centre. It is not an easy job. I have to smile at clients all day and pay attention to a lot of small details they say. My boss is a very difficult man. I don't like him at all.

Life here is not as quiet as in Dublin. People like going out in bars, cafés, and restaurants after work. It is a bit noisier here, and the food is so delicious.

I'm having a great time, although at first it was a bit difficult for me because I didn't know a word in Greek, and finding a place to live wasn't easy. But one of my college friends invited me to share her apartment in Athens. It's a small apartment, but it's full of character and I love it. I feel like home. Each morning I have to catch the bus to go to work. It takes 20 minutes to get to the hotel, but I am used to it now.

Thank you so much for your wonderful birthday gift. "Muse" is my favourite band. I **adore** the music they make. I am glad you remember that they are my favourite. I keep listening to this CD all the time.

Well, that's all for now.

Hope to hear from you soon. Give my regards to your family.

Love,  
Belle
